# code of conduct.

**FF-PACKAGING believes it is essential that its products are manufactured in an honest and responsible manner.**

In this Code of Conduct, we outline the guidelines and principles that guide our organization. By doing so, we actively contribute to ethical standards in the countries where we operate.

## 1. Laws and regulations

FF-PACKAGING complies with all applicable local laws and regulations in the countries where it operates.

## 2. Child labour

FF-PACKAGING does not tolerate child labour at its production sites. The locally applicable minimum working age is strictly respected in every country.

## 3. Working conditions

All employees work in a safe and healthy environment in accordance with local laws and regulations. Forced labour, intimidation, and any form of coercion are strictly prohibited. Employees are provided with adequate food and drinking water.

## 4. Discrimination

Discrimination based on gender, age, origin, religion, or sexual orientation is not tolerated at any production site.

## 5. Working hours

Employees do not work more than the legally permitted maximum number of hours per day or week in the relevant country. Overtime is compensated in accordance with local legislation, and employees are granted sufficient rest periods.

## 6. Wages

Wages are paid at least once a month and are never lower than the legally applicable minimum wage in the country concerned.

We make sure to give our employees the possibility to get the best out of themselves. **Scan the QR code to read our CSR policy.**

## 7. Freedom of association

Employees are free to join or form associations or trade unions without fear of discrimination or negative consequences in their work environment.

## 8. Environment

The sourcing of raw materials and the production process comply with local environmental standards. Waste and residual materials are disposed of responsibly and recycled where possible. FF-PACKAGING continuously strives to optimize and improve these processes.

## G-STAR

At FF-PACKAGING, we proudly collaborate with G-STAR RAW as their packaging partner, overseeing the complete packaging concept of this iconic fashion brand - from design to production. In addition, we provide a custom stock management system that maintains inventory for over 150 POS items.
