

A technical drawing showing a rectangular hole in a sheet of material. The hole is defined by a blue outline. Inside the hole, there is a smaller rectangle with a magenta border. The text "40x70 mm" is written in magenta inside this smaller rectangle. The drawing also shows the surrounding material with a blue outline, including a vertical line on the left and a horizontal line at the bottom, suggesting a larger sheet or a specific cutout.

40x70 mm
