

260 x 260 mm

The image shows a technical drawing of a square on a grid. The grid consists of solid green lines forming a 2x2 grid of large squares, with dashed green lines forming a 4x4 grid of smaller squares. The square in question is drawn with a solid magenta border and is centered within the top-left quadrant of the 2x2 grid. Its dimensions are labeled as 260 x 260 mm in magenta text.

260 x 305 mm

The image shows a technical drawing of a rectangle on a grid. The grid consists of solid green lines forming a 2x2 grid of large squares, with dashed green lines forming a 4x4 grid of smaller squares. The rectangle in question is drawn with a solid magenta border and is centered within the top-right quadrant of the 2x2 grid. Its dimensions are labeled as 260 x 305 mm in magenta text.
