

210 x 190 mm

A technical drawing of a rectangular plate. The drawing is centered in the upper half of the page. It consists of a solid magenta rectangle with a width of 210 mm and a height of 190 mm. The text '210 x 190 mm' is centered inside the rectangle in a magenta font. The drawing is set against a background of a green grid. A vertical dashed green line is to the left of the rectangle, and a horizontal dashed green line is below it, meeting at a point. From this point, two dashed green lines extend diagonally downwards and outwards to the left and right edges of the page. Another vertical dashed green line is to the right of the rectangle, and a horizontal dashed green line is below it, meeting at a point. From this point, two dashed green lines extend diagonally downwards and outwards to the left and right edges of the page.

210 x 235 mm

A technical drawing of a rectangular plate. The drawing is centered in the upper half of the page. It consists of a solid magenta rectangle with a width of 210 mm and a height of 235 mm. The text '210 x 235 mm' is centered inside the rectangle in a magenta font. The drawing is set against a background of a green grid. A vertical dashed green line is to the left of the rectangle, and a horizontal dashed green line is below it, meeting at a point. From this point, two dashed green lines extend diagonally downwards and outwards to the left and right edges of the page. Another vertical dashed green line is to the right of the rectangle, and a horizontal dashed green line is below it, meeting at a point. From this point, two dashed green lines extend diagonally downwards and outwards to the left and right edges of the page.
