

320 x 240 mm

The image shows a technical drawing of two rectangular components. The left component is labeled '320 x 240 mm' and the right component is labeled '320 x 285 mm'. Both rectangles are outlined in magenta. The drawing includes a grid of solid green lines and dashed green lines. A horizontal dashed line connects the top corners of both rectangles. Vertical dashed lines extend from the top corners of the rectangles down to a horizontal solid line. Diagonal dashed lines are drawn from the corners of the bottom solid line to the vertical dashed lines. The overall layout is symmetrical about a central vertical axis.
